LATEST WAR BULLETINS

Washington, Sept. 9.—A Bordeaux dispatch to the French embassy said: "On the seventh the French and English offensive had compelled the Germans to withdraw. Two of its army corps have been thrown on the left side of the Oureq."

"The fourth army has attacked us in the Vitrey-la-Francois region. A falling back movement of the enemy has been clearly observed."

"The German progress seems to have been too rapid and too precipitate in its eagerness to get to the gates of Paris, for they arrived out of breath and to the appearance of ammunition, which may explain why they did not pursue their original plan."

"All prisoners appear fatigued and harassed. The army already weakened by forced marches, constant fighting en route and now further enfeebled by the engagements of the last four days is not, in the opinion of experts prepared for the siege of Paris, even if it retrieved its fortunes in the battle now in progress."

The only hope of the Germans, therefore, lies in the armies on the north eastern frontier coming to the rescue and this hope now seems to be too long deferred."

Paris Confident Over Battle Reports.

Paris, Sept. 9.—An official communication issued this afternoon says the situation remains satisfactory.

The German right is retreating before the English. The French center is slowly advancing. The situation on the right is unchanged.

The statement says: "First: On the left wing although the Germans have been reinforced, the situation remains satisfactory. The enemy is retreating before the British army."

"Second: At the center our advance is slow but general. On the right wing the action of the enemy is against the great circle of Nancy. In the Vosges, and in the situation remains satisfactory."

Hold on Mr. Common Sense! Not So Fast!

You have not a monopoly of your name. Some of it escaped and is out here in the country. We think "Horse Sense" told the truth in Monday's Independent and that he understands the local option laws and the temper of the country people better than you.

You seek to make the impression that once having voted "dry" a precinct in a "wet" county has no alternative but to remain "dry"; that the effect of the local option laws is to give Maysville a monopoly of the retail liquor business in this county and it remains only for the county people to drink your liquor and pay a revenue.

Our understanding of the law as construed by the Court of Appeals is that the COUNTY IS THE UNIT, that no precinct in a "dry" county can sell liquor BUT THAT ANY PRECINCT in a "WET" county may call a precinct election and vote itself "wet" if it so wishes.

On September 28th MASON COUNTY VOTES AS A UNIT; if it votes "Dry", the entire county is "dry"; if it votes "wet", there is no reason why any precinct in the county may not call an election and vote itself "wet." There has not as yet been any argument advanced for a "wet" Maysville that does not apply with equal force to Dover, Mi-

SCHOOLS CALL

And Maysville Contributes Her Share of Young Folks Who Go to Various Seats of Learning.

The following well known young folks leave Monday for State University at Lexington: Misses Nathalie Wood and Frances Geisel, Messrs. John E. Marsh, Harry Otto, George Bauer, Chas. S. Smith, Harry Galbraith and Abe Galanty. Mr. J. J. Coughlin of Augusta, also leaves for State Monday.

The following leave at later dates for the schools named: Misses Frances Farnsworth and Evelyn Smith to Belmont College, near Nashville, Tenn. Misses Frances and Zorayda Cochran to Caldwell College, Danville, Ky. Misses Margaret Owens and Thelma Kirk to Hollins Institute, Hollins, Va. Messrs. Wadsworth and Horace Clarke to Sewanee University, Sewanee, Tenn. Nelson Ellis, Oxford, Ohio, Jerome and Ernest Zeiger, to Ann Arbor, Mich. E. E. Browning, Jr., to Washington and Lee University, Hugh Power to Culver Military Academy, Culver, Ind.; James Cooper Thomas to Ohio Military Institute, Cincinnati; Harold Kehoe to Washington, D. C., and Robert Straus to University of Cincinnati.

It will be seen from this list that Maysville is well represented at practically all the Southern and Central colleges of note.

nerva, Germantown, Washington, Mayslick, Plumville, Orangeburg, or to any town or crossroads store in the county.

The "Personal Liberty" argument, "Stimulates Business" argument, "Revenue" argument, "Does-no-Harm-Anyhow" argument, "Causes more Drunkenness" argument, "Makes-Blind-Tigers" argument and "Forbidden-Fruits-are-Sweet" argument apply as well to any precinct outside of Maysville as to Maysville itself.

At present we have voted the sale of liquor out of the country precincts because we believe it lowers the standard of citizenship and is an economic disadvantage. But if after September 28th the sale of liquor in Maysville continues to defeat in large measures the will of the country people, at any time a majority in any precinct wants to destroy your monopoly of the sale of liquor in the county it can do so, in which event, according to your own reasoning, there will be fewer buyers and fewer sales in Maysville. It is to the business interests of Maysville to vote "dry."

We think Horse Sense quit of the charge of "Ignorance" or purpose to deceive.

(Adv)—COUNTRY VOTER.

DELIGHTFUL DANCE.

The dance at Beechwood last night given by Messrs. Charles and Francis Hopper, in honor of their guest, Miss Margaret Gage of New York City was one of the most delightful social events of the summer.

About seventy-five couples attended and they danced till the " wee wee wee" hours" this morning.

The pavilion was artistically decorated with ferns and palms and presented a beautiful appearance. The refreshments were furnished by Traxel.

Smith's Saxophone Trio of Springfield, Ohio, furnished the music.

BEATEN BISCUITS MADE BY MACHINERY

Owing to the fact that their sale of beaten biscuits has increased so rapidly the F. H. Traxel Co., has installed an up-to-date machine, which turns out the biscuits at the rate of 6,000 an hour. This machine is a wonder and will permit Mr. Traxel to assure the public that there will be no biscuit famine.

CIRCUIT COURT.
